

LCLC 2019 Summer Camp

Lighthouse Christian Learning Center will be offering 3 week long camps during the summer. Our curriculum will provide all the fun and learning experiences of day camp in a half-day program specifically designed for 3, 4, and 5 year olds. All children must be 3 before June 1, 2019. We prefer that your child be potty trained. But, if you are still working on it, we require they come to camp in a pull-up so that help with training and changing will be easier for our staff. Children must also be up to date on all immunizations. Camps will be theme based and filled with hands-on activities, art projects, music and stories designed to promote socialization, creativity, problem solving and good ole fashioned fun. Please pack a lunch for your camper, as we will be getting hungry before our day ends. On Fridays, you have the option to forego packing lunch for your camper and sending in \$3.00 for pizza and apple slices. Camp descriptions and dates are listed below. We are excited to have some fun with your child this summer!

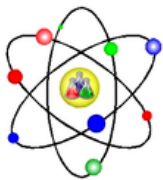

Registration: Begins March 1

Tuition: \$115.00/ camp

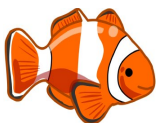

\$50.00 per camper is due at the time of registration and balance will be due May 15.

June 17-June 21 Under the Big Top! : Join us for a week of fun as we explore the Circus! Campers will learn about various circus animals, talented trapeze artists, and tight rope walkers. We'll also enjoy some cotton candy, popcorn, and sno-cone treats. Parents will be invited to our very own circus performance at the end of the week!

July 8-July 12 Creative Arts and Science Camp : Come join us for a week of challenging our creativity with art projects using several different mediums. From paint to colored pencils to watercolors we are sure to eventually make a masterpiece. We will make our own delicious snacks each day and see some neat experiments, becoming familiar with all things science. Kids will be encouraged to think outside the box - get creative and messy, but most of all have fun!

July 22-July 26 Down by the Sea: Come dive into the wonders of the sea! We'll have fun exploring the ocean and all its' amazing creatures - big and small. From whales to sea turtles to puffer fish, we will learn many interesting facts and be able to get up close and personal, as we explore their habitats. A treasure hunt for shark teeth and seashells will be loads of fun and Friday will be a fun-filled water day!

LCLC SUMMER CAMP REGISTRATION FORM

Individuals authorized to pick up your child and phone #: _____

In the event of an accident that requires immediate first aid or medical treatment at a time when a parent cannot be located, I give permission to Julie Allen, or other designated staff member to authorize such treatment. I also authorize transfer of my child's medical records if deemed necessary to the appropriate hospital. This is done with the understanding that every attempt has been made to contact the parents, the child's physician, or other persons listed for emergency contact.
